District Handbooks:
Appoint Level I and Level II Child Abuse Investigators

Background:
Each year a School Board should reappoint its investigators of alleged child abuse complaints against school staff. This information must be published in the student handbook.

Last year the district appointed the building principals (only) as the primary and alternate child abuse investigators. These individuals are required to attend special training annually for this assignment.

The Level Two Child Abuse Investigators were local law enforcement.

Recommended Action:
I recommend the reappointment of the Level One Child Abuse Investigators as listed below with local law enforcement designated as the Level Two Child Abuse Investigators.

• Primary Level I Investigators	Elementary Principal	Mark Young
	Secondary Principal	Cynthia K. Jensen
• Alternate Level I Investigators	Lower Elementary Counselor	Kaitlyn Peterson
	Middle School Counselor	Sarah Nelson
	High School Counselor	Ethan Albertson
• Level II Investigators	Belmond Police Department
