Library Purchases for Board Approval

Executive Summary (Brief description of agenda item):

Under Texas Senate Bill 13, the district school board must approve all library book purchases at a public meeting. Before this approval, districts must list the proposed materials publicly for at least 30 days, allowing for public review and comment. On the GISD website, we created another bullet under the Parents tab stating "Proposed Materials for Library Purchase." We post the lists under that page for the required 30 days before bringing the lists before the board for approval. There is a comment tool so that parents can give input on the lists of materials. There have been no comments so far. Tonight, we have a list of materials that the junior high and intermediate campuses are wishing to purchase.
