MORTON WEST ACTIVITY REPORT

October 2026

HIGHLIGHTS OF THE MONTH

WSC MOCK TRIAL:

Several students from our civics classes traveled to Hinsdale South High School for the first ever WSC Mock Trail event. Students learned how trials operate, were assigned roles within a staged trial, and participated in a full mock trial process, portraying lawyers, witnesses, and more. One West senior was named one of the top attorneys at the event.

TRICK OR TREAT:

Several clubs from Morton West hosted the first annual community Trick or Treat event, and welcomed hundreds of students, community members, and children into the Freshman Academy for Trick or Treating, candy, and fun. Many of these students and community members stayed for the Day of the Dead event later that evening.

CBS HIGHLIGHT SPECIAL

Morton West was highlighted by CBS on October 16th, with several classes and clubs being spotlighted. The Band Program, Choir, Welding, and Soccer were among those groups aired on CBS. All the students, staff, coaches, and sponsors did a wonderful job representing Morton, and focusing on all the of the great programs and opportunities Morton West has to offer.

CLASS OF 1966

The Class of 1966 came back to celebrate their 60th reunion, and took a tour on October 17th. Over a dozen members of the class of 1966 walked the halls of Morton West, reliving old memories, and experiencing all that has changed and been updated here at Morton West over the years.

STUDENT OF THE MONTH

Morton West revamped it's Student of the Month celebration, now hosting a more formal breakfast experience. The first kick off for this event was a huge success, with over 20 families joining their students for breakfast, recognition, and celebration.
