Meeting Minutes

10/19/26, 1:00pm

Members Present:

Monica Haley (Principal)
Karreen Ghena (Assistant Principal)
Alexandria Hensley (Office Manager)
Tawnya Campbell (Teacher)
Brandi Rough (Parent)

1. Intervention small groups in full swing
    a. Progress monitoring will start within the next few weeks if it hasn't already
    b. Each grade level made up a progress monitoring schedule that works best for their grade level

2. Fall events
    a. Title "Monster Math" Night - Thursday 10/22, 75 Year Celebration - Friday 10/23, Fall Festival - Thursday 10/29
    b. Brandy said her son is super excited to attend the math night

3. Safety concerns at recess
    a. Incidents are down, but we are staying consistent in our approach to follow district policies and partner with families so that all students are safe

4. Committees
    a. Staff room has outdated posting of committee groups
    b. Staff concern that some members of the committees are overwhelmed because they are on multiple committees, asks the team to be mindful of ways to get other teachers/staff involved so it's not the same people volunteering for every committee/project
    c. Suggestion of a blanket spreadsheet during PLC/PD time showing the committees that we have already developed so when future committees are needing to be formed, other staff will consider who's already committed a lot of time

5. Fence for front of school - safety concern
    a. Monica is discussing again with Dave Valenzuela at her principal/superintendent meeting tomorrow
    b. Brandi agreed that the fence is a need for safety, particularly for eloping students

6. Parent asked about substitutes and qualifications/requirements
    a. Monica explained subs for licensed positions have to have a Bachelor's degree
    b. Tawnya advised if there is curiosity to enter the teaching field, to try substituting as a classified educational aide first, because it will help the person determine if it's the right field for them

Meeting adjourned at 1:37pm.
