Three Rivers School District

Code: FBB
Adopted: 3/20/06
Orig. Code: FBB

Enrollment Projections

Enrollment projections will be prepared at the direction of the superintendent and will be reviewed and updated annually.

Projections will take into consideration the following:

1. School registration figures;

2. Review of forthcoming changes in town planning and zoning;

3. Review of current and planned community land development and housing projects.

The district may authorize outside studies of population trends and school enrollment.

~~When constructions of new school facilities or the closing of any school buildings is being contemplated, the Board may authorize outside studies made of population trends and school enrollment.~~

~~Each fall, administration will project enrollment for the following fall and, in addition, will prepare the best possible assessments of enrollments two, five and ten year in advance. These projections will be reported to the Board annually in March.~~
