Nonschool-Sponsored Study and Athletic Tours/Trips/Competitions

The district does not sponsor, endorse or financially contribute to the variety of outside-sponsored study and/or athletic tours, trips, and competitions that are available to students. ~~In addition, the district does not allow outside organizations, groups or agencies to solicit travel services to students while on school properties, at school/district-sponsored activities, or at any interscholastic activity administered by the Oregon School Activities Association (OSAA), unless having received permission by the superintendent.~~

The district does not recruit for, or have input into, the selection of programs, many of which are not open to all students. Such tours, trips and competitions are under the sole auspice and control of the sponsoring organizations, groups or agencies.

Students and/or staff who raise funds for their personal participation in such activities may not raise monies for such travel on school property or as a representative of the school. The name of the district or the name of an individual school within the district may not be used unless the communication clearly identifies the sponsor as a group other than the school. Students and/or staff may not use school supplies or materials in conjunction with such trips or their related fund raising.

Staff members are prohibited from using instructional contact time with students to advertise or recruit for summer or other holiday travel, which involves their supervisions of students. Staff will not advise parents regarding selection of such trips or tours for their children. The counseling center may contain pamphlets, which will assist parents who have questions about selection of such a tour.

Parents are advised to consider carefully the activities that are available to their children ~~sons and daughters~~. Parents have an obligation to ensure that patrons of the district do not assume such activities are school sponsored or funded.
