Parent Involvement

- Painting: Lauren reports that she received a quote of $6000 to paint the wood siding on the main school building black. Discussion was had if maintenance could do most of the prep for painting that could potentially cut costs. Krissy has her stepson who works for a painting company, and he is a previous FV attendee, so perhaps he would be willing to do the job for a decreased price. She will reach out to him. Tori says that her company has a Sherwin Williams account and her husband used to paint schools and could be an asset to this project. Ms. Falkenhagen mentions that they may be able to get the paint donated from Sherwin Williams. Will add this to next month's agenda for follow-up.
- Playground update: Playground update: Megan updates that we did get the grant from allcare. Krissy, meg, and Jessica met with playcraft this week to discuss how to make the playground more accessible to all students. Have to use the allure funds. Mrs. Carsley got a swing donated and maintenance is going to install it. Getting a quote to make this swing accessible for students. Waiting on a quote from Playcraft for this.
- Back to school snow cone treat - Lauren & meg hosted PTO sponsored a back-to-school snow cone day. It was a big hit. Would like to do something similar later in the fall.
- Coin drive: Starts on Monday. Zootopia districts assigned to each grade. Assembly was this morning and students and staff are excited. Mrs. Geurin mentions that the kids love

the assemblies and perhaps we could do the thursday fun assembly on the last day, 10/15 and announce the winners on monday morning. Megan has an idea for this.

- Movie Night Thursday 10/15. Lauren is chairperson. Morgan, Ann, and Nicole are available to help. Krissy can help set-up but cannot stay. Make sure that we have a sign-in sheet for students so they can receive pins.
- Trunk or Treat - 10/29. Krissy is chairperson. Flier and Candy monster going out next week.
- Costume swap - Morgan mentions that this was a huge hit last year and she is willing to head this up again with Mrs. Fields.
- November teacher conferences dinner: Need chairperson 2:45pm delivery, 20 people total. Make a motion to allot $200 - Morgan motions, Lauren seconds. Krissy going to take this on.
- Turkey trot - November 7th, 09-1030, needs 10 volunteers. Carly will reach out to parents and get a list to Ms.Dinkins.
- Winterfest - Tory & Lauren will co-chair. They can figure out what kind of craft and what they want the event to be. Pin for students.
- Spirit Wear - Carly is working with a company on a fundraising event. Will have more information at the next meeting.

Instruction

- OSAS and NWEA data dive, goals for this year

Culture

- 5th grade leadership has started
- Ms. Falkenhagen would like PTO's help with a "Surprise attendance day" which will be on October 19. This is a way to celebrate great school attendance. There will be popcorn during lunch that day.
