Dear Laurie Seymour,

Levy: 690079001 Mary M Knight SD 079 M&O

Each year adjustments are made to the tax rolls AFTER the taxes have been calculated and billed. These changes both increase and decrease the amount of tax your district can collect. When the sum of these changes results in a net decrease to the amount of tax you can collect, the law allows you to impose a refund levy to recover those lost tax dollars.

RCW 84.69.180 authorizes taxing districts to levy a refund levy to recover taxes that were refunded and/or canceled during the last twelve months. The refunds/net cancellations for the year October 1, 2025 thru September 30, 2026 are eligible for recovery through a refund levy in 2027 for the Mary M Knight SD 079 M&O Fund is shown in option (a) below.

Your legislative body is responsible for determining if they wish to levy all, part or none of these lost tax revenues. Please be aware that regular (non-voted) levies may be limited or eliminated by statutory levy rate limitations.

Please select from one of the following options to (a) re-levy ALL of your net lost revenue, (b) re-levy PART of your net lost revenue or (c) re-levy NONE of your net lost revenue.

(a) ☐ GH County hereby certifies a refund levy in its General Fund for collection in 2027 in the amount of **$-547.63** to recover net refunds/cancellations. If this number is NEGATIVE, there is nothing eligible for the refund levy.

(b) ☐ GH County hereby certifies a refund levy in its General Fund for collection in 2027 in the amount of $_____ to recover a portion of the net refunds/cancellations reflected in (a) above.

(c) ☐ GH County does NOT WISH TO RE-LEVY ANY of its General Fund net refunds/cancellations during the 2026 tax year.
