Hey Dave,

Here is the footage.

Hi Erv,

Please pass along to Bus 8 driver that I would like [REDACTED] to be permanently assigned to the seat directly behind the driver.

I was also told that [REDACTED] jumped over the seat during yesterday's PM route and started choking the student in that seat. This happened towards the back of the bus. When you have time, would you please take a look?

[REDACTED] is moving regardless of the video but I would like to have the recording if possible.

Thanks - Dave
