Owatonna Online: State of the School

The Reach, Rigor, and Relationships Powering Our Network

Gemini Notebook

A Digital Hub for 504 Students

Our enrollment profile demonstrates that the majority of our student body actively seeks us out from beyond our immediate district borders.

- **195** Resident Students
- **162** Partnership Students
- **147** Open Enrolled Students

The Output of Connection

Scale and data are only the infrastructure. The true purpose of Owatonna Online is what happens when these three elements align.

Broad Geography
(Overcoming physical limitations)

+ Deep Partnerships
(Institutional trust and support)

+ Rising Academics
(Measurable academic growth)

= Empowered Individuals
