Subject:

Optional Flexible School Day Program 2026-2027 Application

Executive Summary:

Marble Falls ISD has annually participated in the Optional Flexible School Day Program for students at FCHS through TEA. Beginning in the 2023-2024 school year, MFISD was also approved to implement the program at MFHS as needed for unique student situations. For the 2026-2027 school year, MFISD is seeking approval for both FCHS and MFHS to once again implement the Optional Flexible School Day Program (OFSDP) for students as needed.

The OFSDP allows districts to provide flexible hours and days of attendance for students who meet at least one of the requirements of TEC 29.0822(a). The goal of the program is to improve graduation rates for students who are in danger of dropping out of school, have already dropped out, or are behind in core subject areas. The students have to meet specific conditions and MFISD has to meet specific guidelines for students to participate.

The purpose of this agenda item is to provide an overview of the MFISD OFSDP from the 2025-2026 school year and to seek approval for administration to submit to TEA the application for OFSDP for the 2026-2027 school year.
