Recommendation

Stacy will present the Comprehensive Achievement and Civic Readiness results and the new goals.

Background Information

Comprehensive Achievement and Civic Readiness (CACR) was formerly known as The World's Best Workforce (WBWF). It is a strategic multi-year plan that documents how a district will work to achieve these goals. SFAS CACR will track goals for 3 years before creating new goals.

School boards that govern districts and charter schools are required to develop comprehensive, long-term strategic plans that address the following five CACR goals:

- All children are ready for school.
- All racial and economic achievement gaps between students are closed.
- All students are ready for career and college.
- All students graduate from high school.
- All students are prepared to be lifelong learners.
