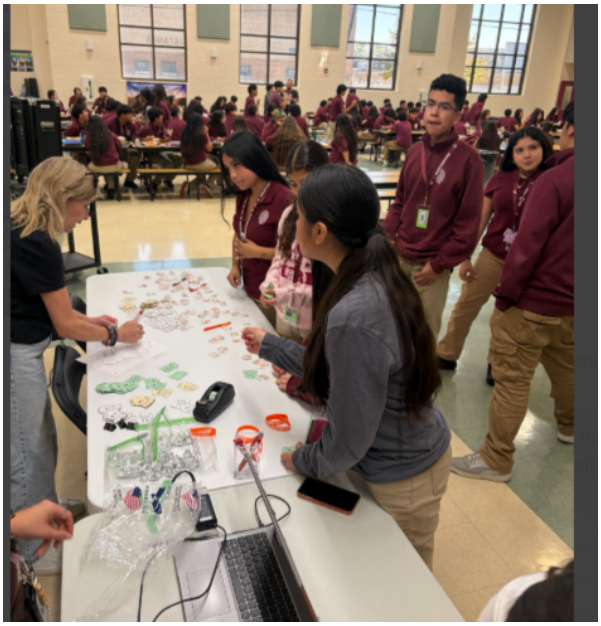
Spread the Kindness event – On Friday, October 23, during all lunch periods, students participated in a Spread the Kindness event. Students were invited to write positive messages and words of encouragement for their friends and staff. Students helped spread positivity and reminded everyone of the importance of kindness throughout the Freshman Center.



Dia De Los Muertos –The Freshman Center welcomed families in for a fun-filled community event. Our Freshman Center clubs brought the energy by offering crafts, face painting, dance demonstrations, and much more. The event provided a wonderful opportunity for students to showcase their talents, build leadership skills, strengthen community connections, celebrate friendships, and show off their Morton Pride.
