Student Activities Report

Highlights of the month: OCTOBER 2026

CBS School Showcase

On Friday, October 16th, CBS News showed up bright and early to highlight the amazing things happening her at Morton East! They got to visit the Knowledge Center with the archives exhibit, our culinary and construction trades classes, and were entertained by our folkloric dancers and mariachi group! They finished off the day by helping us kick off our Hispanic Heritage Month assembly!

8 Minutes Left—Fall Play

Starting on Thursday, October 22 and running until Sunday, October 25, the Morton East Theatre Department presented *8 Minutes Left*, a dramatic ensemble comedy about the various ways the characters chose to spend their last moments on Earth. All of the student performances were phenomenal, eliciting both laughter and tears from the audience. Additionally, the rotating set was erected by our construction trades classes, focusing on a continued collaboration between our programs!

Hispanic Heritage Month Assembly

On Friday, October 16th, 2026, right after the sign off for the CBS School Showcase, Morton East held two Hispanic Heritage Assemblies that proudly displayed our students' talents. Performances included our Mariachi Club and our Folkloric Dance Group, as well as our Varsity Dance team. Our Sociedad Honoraria Hispánica took the lead on developing the program for the assembly, showcasing everything they are proud of in the school and their cultures! It was a great experience for all students and staff!
