BACKGROUND:

On January 22nd, 2026, the official unveiling of the 2026 Charro Days Poster took place, marking an exciting milestone for the community and for the district. The poster was designed by artist Don Breeden, whose artistic interpretation was inspired by the creativity and spirit of a young student and his mother. The artwork prominently features third-grade student Daniel Hernandez from Del Castillo-Morningside Elementary School, alongside his mother, Marcela Garcia Hernandez. This heartfelt depiction beautifully encapsulates the rich traditions, cultural pride, and community spirit that Charro Days represents. The collaboration between the talented artist and this family underscores the importance of community involvement and the lasting legacy of this beloved celebration.
