2:20-2:40	Debrief and Sharing of Action Plans

Security Training: Martin Pascale/Shelley Sheridan/Stacy Chambers

Purpose:

Derby Public School, and the CT SDE, recognizes that staff are often the first responders during an emergency. As part of the new All Hazards Security and Safety Plan for Districts, all staff need to complete a 3 hours course offered by FEMA in NIMS, ICS (Incident Command Center) **Introduction to the Incident Command System for Schools**. This training will enable staff to respond more effectively to an emergency and enhance communication between staff and emergency responders.
****Small groups break out to do ***on-line training and complete online test*****

Student Learning Objectives: In-depth work on

Agenda:

1. Amplify and Aimsweb: Our data plan
2. Monitoring Student Progress
3. Monitoring Student Data
