Storage charges will be pro-rated for any partial months.

DELIVERY AND INSTALLATION: If included in the scope of services and specifically itemized on the proposal, delivery and installation will be made using non-union labor during Seller's normal business hours of 7:00 a.m. to 4:00 p.m., Monday through Friday. Overtime delivery or installation performed at Buyer's request will be subject to labor rates reflecting time and a half for weekdays and double time for weekends and holidays. Changes to phased delivery and installation will require a revised installation quote.

All merchandise shall be considered accepted when Buyer or its agent has signed the delivery document. All claims or exceptions must be made in writing on the delivery ticket or bill of lading on the date of work completion. If buyers' premise is not available at the agreed upon delivery date and time, additional trip charges will apply.

DROP SHIPMENTS: In case of drop shipments where product is delivered without installation, Buyer will receive, inspect and install ordered goods. Charges will be assessed to Buyer for excessive handling, storage and transportation incurred because of site conditions, activity of other trades, or other reasons not specifically identified in the quotation, at standard hourly rates. Rates are based on elevator access. In the event a stair carry is required, an up charge for additional labor will be applied.

JOB SITE SERVICES: Buyer will furnish electrical current, heating, lighting, elevator services, and suitable staging areas at the job site without charge to Seller. If Seller is required to remove or handle existing furniture, the additional cost of moving, handling and transporting shall be billed to Buyer on an hourly basis. ELECTRICAL INSTALLATION: If an electrician is required, Buyer will be responsible for contracting and paying all costs of the electrician and the electrical installation.

PROTECTION OF DELIVERED GOODS: Buyer is responsible for security and safekeeping of product after delivery to Buyer's site, or into storage negotiated by Buyer if job site is not ready on mutually agreed upon delivery date, and shall assume any risk of damage or loss thereof.

WARRANTIES: Seller will identify all manufacturers' warranties and will provide to Buyer reasonable assistance to permit Buyer to assert claims based upon such warranties directly to the manufacturer at Buyer's expense.

ACTS BEYOND REASONABLE CONTROL: Seller shall not be liable for any delay or failure to deliver any or all of the product caused by labor disputes, strikes, act of God, or other delay beyond the reasonable control of Seller. In such instances, any deadlines for delivery shall be adjusted.

INSTALLATION SCOPE REVIEW: May be required based on size and or complexity of project. In the event installation scope review is required, it must be filled out along with acceptance of quote.
