Item Title: State Wrestling Recognition

	Action
X	Information
	Discussion

BACKGROUND:

We would like to extend our sincere congratulations to Rivera Early College High School and Veterans Memorial High School for their outstanding accomplishment in having students qualify for the State Competition, which took place on February 13 in Cypress.

Qualifying for a state-level competition is a significant achievement that reflects months—and often years—of dedication, perseverance, and a strong commitment to excellence. This accomplishment is a testament not only to the talent and determination of the students, but also to the unwavering support, guidance, and leadership provided by their coaches, sponsors, and campus administrators. Their continued commitment to maintaining high standards and fostering student success is truly commendable.

We would like to give special recognition to Shelby Garcia from Veterans Memorial High School and Matilda Villarreal from Rivera Early College High School for representing their campuses with pride and distinction at the state level. Notably, Matilda Villarreal earned a bronze medal in her weight class, finishing third place overall, an outstanding achievement at the state level. Their hard work, discipline, and determination exemplify what it means to strive for excellence and serve as an inspiration to their peers.

Congratulations once again to Rivera Early College High School and Veterans Memorial High School on this remarkable achievement. Your success highlights the strength of your programs and the dedication of everyone involved. We are proud of your accomplishments and look forward to seeing your continued success in future competitions.
