Three Rivers School District
Quality Education Runs Deep

SCHOOL BOARD MEETING REPORT

Board Meeting Date: November 9, 2026 **Superintendent:** Dave Valenzuela

Administrator/Staff: Tim Sam

Type of Item: ☐ *Informational* ☒ *Action*

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

North Valley and Hidden Valley High Schools will be sharing one head coach, as a result of losing our head coach last week. We also practice in the same pool at the same time, albeit in different lanes. In order for us to do this, the OSAA requires us to apply for a "Collective Sponsorship". We will be competing separately, just using the same coach, and the same practice facility at the same time. We have done this in the past as needed.
The OSAA requires School Board approval.
The season starts November 16.

Provide history/background information on your proposal:

This is a requirment from the OSAA. We have requested and had this approved several times over the years.

List the advantages of your proposal:

This allows us to practice in a pool, and have a team at NVHS, as the YMCA times for us to practice are very limited

List possible disadvantages of your proposal:

None

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

There are no other local pools available for us to you use at the time we need.

Superintendent's recommendation(s): **Approve:** Yes ☐ No ☐
