Designation of a MSHSL Member School's Designated School Representative and Designated School Board Representative

The MSHSL Constitution requires that *"...each member school shall designate two (2) representatives who are authorized to vote for the member school..." "One of the designated representatives shall be a member of the school's governing board and the other shall be an administrator or full-time faculty member of the member school."*

In order to identify the appropriate voter(s) for each member high school, please complete the information below. If your school district has multiple high schools for which your school board is responsible, please duplicate this sheet and submit it representing each high school.
