We are looking for a reading curriculum or resources that will help support our reading instruction in K-5. We implemented UFLI Phonics this year and that has been going extremely well, but it seems that the majority of the reading curriculums K-2 or phonics based readers and we don't want to replace UFLI. Does anyone have something they love that focuses more on reading skills a [...More](#)

We're exploring our options here, too. Our district is early on in the process, but most of us are leaning heavily into the knowledge-based curricula resources, which focus, but are not exclusively, on a knowledge base (as opposed to explicitly skill and drill). The working theory is improving knowledge boosts reading comprehension.

Wit and Wisdom (Great Minds) is a series that does not have an e [...More](#)

Hello!

Great information, thank you! I'm sure we will all be tuned in next week, to see how the proposed bills will be addressed.
