Quality Education Runs Deep

COMPLAINT FORM

TO: ☒ District Office ☐ _____ (Name of School)

Person Making Complaint: [redacted]

Telephone Number: [redacted] Date: 9/3/2026

Nature of Complaint: I believe the recent district sport fee increase for homeschool and charter students directly goes against ORS 339.460.

Who should we talk to and what evidence should we consider? Speaking to ODE as I have about it would be the best first step for evidence the Revised statue, as well as ODE's FAQ about ORS 339.460.

Suggested Solution/resolution/outcome: Amend the athletic fee structure, issue refunds to all affected families, issue a written claim evidence confirming that missing ADM funding cannot be passed onto families.
