Activities Board Report
November 17, 2026

Fall Seasons:
We had some very successful fall seasons, with many of our teams advancing far into section and state competitions.

- **Cross Country**: Cross Country had a successful season, ending on October 29th, with the section cross country meet. While we did not have any athletes advance to the State Tournament, we did have two athletes bring home All-Conference awards.
- **Football**: Football ended their season on November 6th, in a highly competitive game against Annandale, taking home the Section 2nd place trophy. We had five athletes win All-District awards, and three athletes win district Position of the Year awards.
- **Swimming and Diving**: Section competitions occurring Thursday-Saturday, November 12th-14th. We are hoping to have multiple Foley students advancing to the State Tournament. While we do not know about state entrants yet, we did have six athletes win All-Conference awards.
- **Girls Tennis**: Girls Tennis had a very successful season winning the Granite Ridge Conference, section 6A, and taking fourth place in the State Tournament. We also had a doubles team win the consolation championship at the Individual State Tournament. To cap off a successful season, we had four athletes win All-Conference Awards, and the team achieved an Academic Gold award.
- **Girls Volleyball**: Girls Volleyball had a successful season going 18-8 in the regular season, finishing third in a very competitive conference, and sixth in one of the top sections in AA. We had three athletes win All-Conference awards, as well as one of our athletes winning the Offensive Players of the Year award. To cap off some successful individual accolades, one of our athletes was awarded the Minnesota Volleyball Coaches Association All State award, which to Coach Studanski's knowledge is the first time a Foley Volleyball Player has received this honor.

Fall Musical:
November 6th, 7th, and 8th our Theater department performed their Fall Musical, Big Fish. The show was very popular, drawing large crowds all three nights! Throughout rehearsals, our theater department overcame many obstacles, including not having wireless microphones. I would like to thank the Foley Athletic Boosters and Falcon National Bank for helping provide funds to purchase our own wireless microphones, which will be utilized for future productions and performances in the auditorium.
