LEEA Award Winner

Our LEEA award winner for FIS for the 2026-2027 school year is Mike Beier. Mike was selected for his communication, collaboration, and commitment to our Foley community. Mike has been fantastic to work with. Mike not only supports our students in the classroom but also on the baseball field! I am inspired by his dedication to supporting our students. Please give him a shout-out if you see her!

Veterans Day Ceremony

Foley Intermediate School was proud to honor our veterans during our annual Veterans Day ceremony. This special event gave our students and staff an opportunity to recognize the service and sacrifices of the men and women who have served our country. It was a meaningful reminder of the importance of gratitude, respect, and service. Thank you to everyone who helped make this event possible, and especially to our veterans for their dedication and service to our country.

Winter Activities

Winter activities are right around the corner! Winter activities are getting underway at Foley Intermediate School! We are excited to see our students participating in a variety of activities and representing Foley throughout the winter season. These opportunities are a great way for students to stay active, build friendships, and develop teamwork and leadership skills outside of the classroom. We look forward to a great winter season and wish all of our students and coaches the best of luck!
