Kelli,

Do you have a timeframe in which I should preserve this location's footage?

Kristin

Hi Kristin,

Pursuant to our conversation a moment ago, I forgot to mention something. Can you please take the necessary steps to ensure security camera footage from 4/16/25 is preserved. Specifically, the hallway on the northside of the boardroom near the secondary exit. In other words, any security footage around the back door to the board room.

Kindly confirm receipt of this email, more to come per our conversation.

Thanks,  
Kelli
