Dear Mokena Families,

It is hard to believe that we are approaching the end of the 24-25 school year. I hope you and your family are able to take some time to relax and enjoy some quality time together over the summer. We will be busy throughout the summer here in the buildings with a number of large and small projects. At MES and MIS we will be updating flooring in various areas of the buildings. Also, at MES and MIS we will be updating the fire alarm systems and doing some extensive roofing projects. At MES we will also be replacing a number of the classroom unit ventilators in the south end of the building. At MJHS we will be replacing a significant amount of flooring and constructing an equipment storage shed to the east of the building.

Even though we are just wrapping up this school year it is already time to begin thinking about the 2025-2026 school year. The first day of school for students will be Wednesday, August 20th. You can find the 25-26 school calendar on the website under the tab Our District.

Online registration for the 2025-2026 school year will be available beginning Monday, May 5. All students attending Mokena 159 next year must complete this process. We ask that you please log into your Skyward account to complete the registration process and pay the required registration fees and transportation fees, if applicable, by August 1, 2025.

Due to the migration of Skyward 2.0 to Qmlativ, registration needs to temporarily shut down between June 16th and July 14th. Any registration processes that are not fully completed will have to be started from the beginning after the migration takes place. We will send a notice once registration reopens.

In order to register your student for the 2025-2026 school year, please visit our updated website at <http://www.mokena159.org/>. Click on the Skyward button in the upper right hand corner of the screen to get started. More information and instructions regarding registration can be found here: <https://sites.google.com/mokena159.org/enrollment-and-registration/home>

Thank you very much for your support this past year. I wish you all a happy and safe summer break.

Steve Stein
Superintendent
