Professional Development

Our in-service on October 19th went really well. We spent ½ the day in training for our Boost Math program. This program is an intervention tool that is part of our MTSS plan. The feedback was the training was really helpful. The second part of the day, the staff

met with their committees: Concert Support, Feast Support, Parent Engagement & Sunshine Committee. Each group laid out plans for the year.

Parent Teacher Conferences

Despite all the wind, we had a decent turnout, about 87%. Our Parent Engagement Committee is working on ideas for how to connect more with families outside of Parent Teacher Conferences. Stay tuned for more information!

Veteran's Breakfast

Another great turnout this year.

Staff Spotlight & December Concert

Everyone is working really hard to support our winter concert. I will not give too much away, but it will most definitely be an example of "Schooling Together." Danielle has created quite a production and her team has worked really hard to support her in making all the props.

The following is a list of supporters who Mrs. Koch would like to recognize.

Music Committee: Chaya Pike, Rowan Schutz, Faison Marsden, Raquel Horne.
Sm'algyax Support: Jennifer McCarty and Gamaas Bolton
Alder branch cuttings (over 260!) for Misoo: Toni Hewson
Alder branch cuttings for Eel: Christopher Koch

Additional support in cutting cardboard misoo, creating crabgrass wands, and making umbrella jellyfish: Chaya Pike, David Hamilton, Kalen Edenshaw, Sarah Edenshaw, Sandra Williams, Lovely Williams
Creator of crabgrass wands and anemone crowns:
Chaya Pike, who also guided 3rd and 5th grade in creating their anemone crowns.
Formline Misoo and Eel Design: Gamaas Bolton
Eel cutting and painting: Gamaas Bolton, Faison Marsden, Raquel Horne, Sandra Williams
Cardboard Donations: AC Market- Daniel was my contact for the marvelous flats we received- Cameron Commack- who brought four giant boxes down for us- Jeannie Lindsay, Chelsee Cook, and Antesia Harris
