Hi Kim,

What we have seen previously in the committee meeting materials varies from the spreadsheet attached. For clarity, can you lay the current costs for each election next to the new rates? For avoidance of doubt it would be helpful to reference the number of employees with each election option, because the descriptions of the plans don't match the Alliant materials previously presented- it's hard to reconcile what I'm looking at.

I noticed a plan is being eliminated and we're electing a different plan. Can you add color to why/what was decided on that?

Appreciate your help,
Kelli

Good Morning,

Attached are the revised 2025-26 insurance contributions effective 7/1/2025.

As discussed, we did receive an additional 1% discount, as reflected in the attached rates.

We will host our open enrollment meetings the week of May 19th.

Let me know if you have any questions,
