Good afternoon -

I am available the (morning) 10th as well!

I could make the 8th and 9th work too.

Looking forward to reviewing.

Dear Galaxy Award Committee Members,

Attached are the nominations for this year's Galaxy Awards. We may select up to 5 recipients, and no one should win the award twice (the list of previous winners is attached). Please look over the list and consider the following criteria:

- Accomplishments/Contributions that go ABOVE AND BEYOND the expectations for the role
- Degree of impact on others
- Specific, concrete details for the positive contribution to the District or community
- Any personal knowledge of other service to the community

We need to look at our calendars for a time we can meet virtually. I am open after 3 next Monday and Tuesday (May 8 & 9) and all day on Wednesday (May 10). I can also meet this Wednesday after 12 noon if that isn't too soon for everyone. Please reply all to the thread with your availability. I will set up a Google meet for us, but if anyone wants to come by my office we can do that as well. Thanks!

Mark
