I heard Lisa ask the Music Booster President on your behalf. They seemed interested but no official answer. She said she didn't know what you would like them to talk about. I wish you would have asked me to bring it forward bc I would have made it more clear.

Eric, at the Board of Education portion of the Board meeting I intend to note the following:

- 1) I'd like consideration given to adding Athletics and Music Boosters to the agenda.
- 2) Policy Committee - I will support the implementation of a Board Policy Committee. Pursuant to Section 2:150 of the Mokena D.159 policies, this is a standing committee that researches policy issues and provides recommendations to the Board. The goal would be to review the current set of policies and identify areas that are deficient or otherwise need improvement.

Thank you,
