A few follow ups...

1- page 8: gifted v. Enrichment v. Accelerated... so the MJH math program is accelerated, not enrichment, right?

2- is CER (as opposed to RACE) taught at LW?

3- just a comment... many Parapros spoke about training in the months leading up to the election. I hope to see that many are taking the opportunity to attend these sessions. It would be nice if you could let us know how many (no names) do attend? Not trying to get on the dance floor.

4- How are parent questions answered? If only from the District, does the Board "review" or "approve" the response? When does the Board respond? IMO, if the Board is a recipient, we should, at a minimum, acknowledge receipt and offer a meeting or future written response. Happy to discuss further.

Thank you,
