Agenda Item: 7a

Agenda Topic: Acceptance of Comprehensive Achievement and Civic Readiness Annual Report
Meeting Date: November 24, 2026
Contact Person: Jake Von De Linde

Background:

All Minnesota school districts must develop a Comprehensive Achievement and Civic Readiness strategic plan (formerly called the World's Best Workforce plan) that aligns with the following five goals:

- All children are ready for school.
- All racial and economic achievement gaps between students are closed.
- All students are ready for career and college.
- All students graduate from high school.
- All students are prepared to be lifelong learners.

School districts must prepare an annual report for the public highlighting progress made in the implementation of the district's CACR strategic plan. The following report provides details about strategies and progress toward CACR goals during the 2025-2026 school year.

District administrators will present the Comprehensive Achievement and Civic Readiness annual report at a public meeting at 5:30 p.m. on November 24, 2026. District administration will answer questions about the report during the regular school board meeting. The report will be made available on the district website, and a summary will also be forwarded to the Minnesota Department of Education.

Recommendation:

It is recommended that the board accept Roseville Area Schools' 2025-2026 Comprehensive Achievement and Civic Readiness annual report as presented.
