FYI- Can you check your calendars and let me know what works for you? In an ideal world I would like to get started as soon as possible so that we can look at their proposal before the end of March.

Dear Dr. Cohen,

The MTA is ready to proceed with our initial meeting. We looked at our calendars and are available on the following Tuesdays to meet for this initial meeting (2/13, 2/20, and 2/27). Would any of these dates work for your team? We are available to begin this meeting between 4:30-5:00 p.m.. We do not intend to exchange proposals during this initial meeting; we would like to use that time to talk about how we will proceed.

Thank you,

Heather
