F. DISCUSSIONS:

F.1 Facilities Update
The CVI solar installation is running. That is the final project for the bond projects. The administrative team will bring a priority list in the new year. Many walk-thrus after the shooting in Bend. Vinny and team have added protective film to the vulnerable entry points. By this time next year all lower level windows will have the film around the district.

F2. OSBA Election
Board members will need to vote on Resolution 1 during the December meeting. The Board wants a work session at the December meeting with a representative from the OSBA at 6:30 before the regular meeting.

F3. Governor's Data Center Permit Pause and Impact to the School District.
The City did not reach out before including the school district in its emergency declaration. City Manager Stockdale sent over potential impacts to future enterprise zones at Superintendent Sipe's request for information. The School Board would still like a meeting with city leadership and are willing to host.

G. OTHER/BOARD DISCUSSIONS:

Board Member Josiah Barron - thanks for the materials in the binder.

H. STAFF RECOGNITIONS:

Superintendent Sipe read the list of recognitions and thank yous from the agenda packet.

I. Correspondence

The School Board recognized the various media submissions.
