Hello Meteor Families,

This week's MJHS Friday Update is now available. Sorry I 'm a little late this week, set up for the Geo Bee took more of my time than I anticipated and I had several things that took priority after the Bee. Thank you for your patience.

Be sure to check out the links below.

Thank you for joining me today. If you have any questions, I recommend first checking the website. If you don't get your questions answered, either reply to this message or call the office at 708-342-4870.

Sincerely,

Dr. Mike Rolinitis

Principal
