SEE
RECOGNITION
E - EXPANDING STUDENT CONNECTIONS
PRESENTED TO
Aubree Chase
SEE
for demonstrating SEE Initiative characteristics in Box Elder School District.
Aubrey is absolutely crushing it at McKinley Elementary! She's less of a staff member and more of a social Butterfly Superhero. Every morning, she is roaming the halls, making sure no student is missed —it's like a daily, joyful, mandatory high-five mission! Her student groups are basically the coolest secret clubs at McKinley, where she transforms students into McKinley MVPs. The whole school feels like she just leveled up the school culture. She is the BEST!
