Subject: Hello from the Mokena Music Department!

You are receiving this email because we have your child registered for band and/or orchestra for the upcoming school year. I wanted to reach out and let you know that your child has been entered into our Charms systems and you will be receiving correspondence from this email over the coming year. If you chose to pay the Music Booster fee or if your child will be renting a school-owned instrument from us this year, those fees have been entered into Charms and are available to be paid now. If you prefer not to pay online, you can send in a check made payable to the Mokena Music Boosters once school begins. Band and orchestra will not start on the first day of school. We will send that schedule in a separate email. WE HAVE NOT SENT ROSTERS TO THE DISTRICT OFFICE YET. The \$50 District participation fee has NOT been charged to your Skyward account yet. So at this point, we have only charged the Music Booster and instrument rental fees.

I will be out of town next week and may not be checking my email. If you have any questions, please reach out to Miss Clifford or Ms. Nyder. If you aren't in a hurry for a response, you can still email me and I'll answer when I return. Enjoy the rest of your summer!

Karen Bussean

Music Educator

Mokena School District 159

Symphonic Band, Cadet Band, Marching Meteors, Pep Band and Spring Musical
