“Licensed employees” are those holding a position that requires a license issued by the state Teacher Standards and Practices Commission (TSPC).

1. A “teacher” is an employee who must hold a teacher’s license from TSPC.
2. A “contract teacher” means any teacher who has been regularly employed by a district for a probationary period of not more than three successive school years, and who has been retained for the next succeeding school year.
3. A “probationary teacher” is one who is not a contract teacher and who works at least 135 consecutive days in any school year as a teacher in the district.
4. A “temporary teacher” is any teacher employed to fill a position designated as temporary or experimental or to fill a vacancy that occurs after the opening of school because of unanticipated enrollment or the death, disability, retirement, resignation, contract nonextension or dismissal of a contract or probationary teacher.
5. A “substitute teacher” is any teacher employed to take the place of a probationary or contract teacher who is temporarily absent. A substitute teacher is employed on a day-to-day basis, without contract, and does the work of the regularly assigned teacher during the latter’s absence from duty. Substitutes will not be eligible for fringe benefits and will be paid at a rate established annually by the Board in accordance with the provisions of Oregon law.
6. An “intern teacher” is a regularly enrolled candidate of an approved educator preparation provider, who teaches under the supervision of the staff of the provider and of the employing district, in order to acquire practical experience in teaching.
7. An “administrator” is an employee who holds a valid Oregon administrative license or registration, and who works in a position requiring an administrative license. An administrator includes, but is not limited to, all superintendents, assistant superintendents, principals and academic program directors in public schools or education service districts who have direct responsibility for supervision or evaluation of licensed teachers and who are compensated for their services with public funds.
8. A “specialist” is an employee who has a teaching license or a letter of authorization from the Oregon Department of Education and who is employed half-time or more.

“Classified personnel” are those employees in positions for which no teaching or administrative licenses are required by law.

1. “Regular classified employees” are those employed in positions established by the Board requiring 20 or more hours per week for at least a full school year.
2. “Part-time regular classified employees” are those employed in positions established by the Board requiring less than 20 hours per week for at least a full school year.
3. “Temporary/Substitute classified employees” are those employed on an as-needed basis. The Board shall determine if these employees are eligible for benefits.
4. “Classified supervisory employees” are those who serve in positions that exercise administrative authority or supervisory responsibility over classified employees and as defined in Oregon Revised Statute (ORS) 243.650 (23).

“Supervisory employees” are those individuals having authority to hire, transfer, suspend, lay off, recall, promote, discharge, assign, reward or discipline other employees, or responsibly to direct them, or to adjust their grievances or effectively to recommend such action if the exercise of such authority is not of a merely routine or clerical nature but requires the use of independent judgment. No nurse, charge nurse or similar nursing position shall be deemed to be supervisory unless such position has been traditionally classified as supervisory.

“Confidential employees” are designated in accordance with Oregon law (ORS 243.650 (6)). Such employees will be excluded from any bargaining unit. Salaries and benefits for confidential employees will be established by the Board.

“Administrative employee” means an employee of the district who possesses authority to formulate and carry out administrative and/or program decisions, or who represents administration’s interest by taking or effectively recommending discretionary actions that control or implement district policy, and who has discretion in the performance of these administrative and/or program responsibilities beyond the routine discharge of duties. An administrative employee need not act in a supervisory capacity in relation to other employees.
