

# HILLSBORO HIGH SCHOOL

## Hillsboro High School Board Report – May 2018

### Student Council State Scholarship

Deysi Fuentes was recognized by the Texas Association of Student Councils (TASC) for her outstanding contributions to Hillsboro High School, TASC District, and TASC State Association. The \$1,000 scholarship winners were chosen because of the difference they have made during their high school participation in student council. TASC has 1269 member schools. Deysi Fuentes is one of only 5 student council members statewide to receive this highly-esteemed honor.

## FCCLA Nationals

Mackenzie Thornhill competed in the Nutrition and Wellness STAR event at the State FCCLA Leadership meeting April 5th. She competed against 6 other schools in her category. For this event she had to create a nutrition and fitness/wellness plan for herself and her mother. During this process she logged their food intake, and daily activities to help track their progress.

Mackenzie received first place at State and will be advancing to the National Leadership Conference in Atlanta, Georgia. We want to congratulate Mackenzie on qualifying for nationals. We also would like to recognize Mackenzie's Hillsboro High School FCCLA Sponsor, Mrs. Sullivan for all of her time in preparing Mackenzie for these events.
