

Mark Balmer Nominated as Neah-Kah-Nie Middle School Volunteer of the Month...

The March Volunteer of the Month for NKN Middle School is Mark Balmer. Mark has volunteered countless hours in our science classrooms, after-school tech club, and worked with our technology teacher Kathryn Harmon to create strong learning experiences for kids. Recently, I was informed we will be the recipients of a cash donation through Mark's former employer for the hours he has put in at both the middle school and high school.

We are grateful for Mark's dedication to our building.
