Subject: E-Rate for Technology Related Services/Equipment 2024-2025

MISD Board of Trustees: July 22nd, 2025

Agenda Item – 7A9

Background Information

Midway ISD has applied for and has been awarded \$50,046 in federal funding for E-Rate Category 2-eligible networking equipment. We plan to use these funds to replace the oldest campus switches (10+ years old) at 4 of our elementary schools.

Fiscal implications

The fiscal implication to Midway ISD is 40% of the total amount approved by ERATE, equaling \$33,597. This amount has been budgeted and approved in the 2025-2026 Technology budget.

Administration Recommendation

The Midway ISD Administration recommends the Board approve the expenditure of \$33,597 to Red River, who provided the winning submittal via the E-Rate competitive bidding process.
