Subject: Campus Water Fountain Donation

Dear Superintendent Mr. Samuel Mijares, Principals Olivia Garcia, Diana Alvarado, and Cynthia Guedea,

I hope this letter finds you well. I am writing to express my interest in supporting Eagle Pass ISD through a donation of water fountains for Benavides Heights, San Luis, and Rosita Valley Elementary, with no condition or expectation from the district or campus.

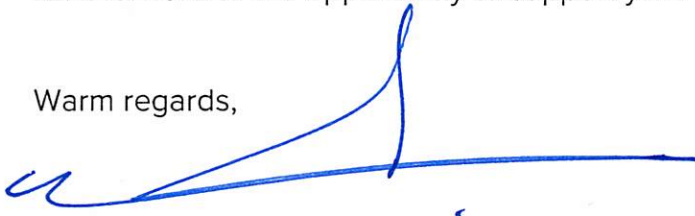

Access to clean, easily available drinking water is essential for the health, focus, and well-being of students and staff. As a gesture of our commitment to education and community wellness, we would like to donate 15 water fountains to your school. Two units are Elkay Bottle Filling Stations and Coolers, each costing \$2,745.00, and 13 Wall Mount ADA Coolers, each costing \$1,444.00, for a grand total of \$24,262.00. These units are intended to enhance hydration access across the campuses.

We would be honored to coordinate with your team to determine the best locations and logistical needs for installation. Our goal is to ensure that this donation brings long-term value and convenience to your students and staff.

Please let us know if this donation aligns with your current campus needs and how we can proceed with the next steps. We are happy to provide any additional information or documentation you may require. We understand that the district will be responsible for the transportation and installation of the equipment.

Thank you for your dedication to your students and for considering this contribution. We look forward to the opportunity to support your school community in this meaningful way.

Warm regards,

A handwritten signature in blue ink, consisting of a series of loops and a long horizontal stroke.
