An employee will have the option to waive the pre-tax employer contribution and purchase the District LTD policy through an after-tax payroll deduction.

When an employee is placed on long-term disability under this plan, the District shall contribute the same dollar amount in effect at the time the employee goes on disability, regardless of the employee's current level of coverage. The employee is responsible for paying the monthly difference in premium to keep the insurance coverage. The District shall contribute this amount towards the group health insurance program for a period of two (2) years from date of placement on long-term disability or the occurrence of the employee's Medicare Eligibility, whichever comes first. It is the responsibility of the employee to enter their time off using the District online time-off system, in advance, except in cases of extreme emergency. If an emergency makes it impossible to submit a request in advance, an oral request shall be submitted and then confirmed using the online system immediately upon the return of the employee.
- D. Employees may use up to a total of six days (48 hours) of accumulated paid leave time in contract year, for necessary absence because of illness or safety of an immediate family member, upon approval by the appropriate supervisor. The immediate family shall be interpreted to mean adult child, step child, spouse, sibling, parent, step parent, father, mother, father-in-law and mother-in-law, grandparents, grandchild for such reasonable periods as the employee's attendance to provide care for the immediate family member. The Earned Sick and Safe leave described under MN State Statute 181.032 is contained within this plan's more generous leave provision of 15 days within Article 3 and not in addition to it.
- G. After accumulated sick leave has been used, and under conditions of a chronic or continuous illness or disability as certified by a medical doctor, an additional number of days of sick leave may be granted by the Superintendent or designee for the duration of such illness or disability.
- H. **Workers Compensation Leave:** When an employee is injured on the job in the service of the District and is collecting worker's compensation insurance payments, the employee will not also receive a regular check from the District for those same days, but may draw upon available Sick Leave to cover the employee cost of any insurance benefits. Prior to collecting pay from Worker's Compensation for a compensable work injury, employees will use available sick leave. Based on Worker's Compensation rules, some or all this used sick leave will be credited back based on the length of time off according to Worker's Compensation rules. Consult with Human Resources on use of sick time for work related injuries.
- I. **Long-Term Disability Leave:** At the time an employee becomes eligible to receive long-term disability compensation as provided in this Agreement, the employee will not also receive a regular check from the District for those same days, but may draw upon available Sick Leave to cover the employee cost of any insurance benefits as long as the employee continues on long-term disability compensation.

7. **Personal Leave:** Up to two (2) days of personal leave may be granted per year. Such leave shall not be deducted from the accumulated leave. Circumstances, which qualify for use of this leave allowance, are those extraordinary situations that arise requiring attention which cannot be attended to outside of work hours and which is not covered under other policies.

It is the responsibility of the employee to enter their time off requests using the District online time off system to the appropriate supervisor, in advance, except in cases of extreme emergency. If an emergency makes it impossible to submit a request in advance, an oral request shall be submitted and then confirmed using the online system immediately upon the return of the employee. The request shall state the reason for the proposed leave. The appropriate supervisor reserves the right to refuse to grant such leave.

In case of extreme emergency with approval of the Human Resource Director, the appropriate supervisor may grant additional leave with pay.

8. **Bereavement Leave:** Employees eligible for basic accumulated leave also may be granted up to five (5) days bereavement leave in a contract year for death in the immediate family or close family (as defined in Section 6 – Sick Leave). The amount of leave allowed under this provision is subject to the discretion of the responsible administrator and shall not be deducted from basic accumulated leave. The amount of leave allowed under this provision is subject to the discretion of the Director of Human Resources and may depend on circumstances such as distance, the individual's responsibility for the funeral arrangements, and the employee's responsibility for taking care of the estate of the deceased, and shall not be deducted from sick leave. Additional requests for Bereavement consistent with this section may be granted and days in excess of five Bereavement Leave (5) days would be deducted from available accumulated leave. Requests to be absent from work for other than immediate or close family (as defined in Section 6 – Sick Leave), may be granted based on overall attendance and ability to cover the assignment. Any of these days granted would be deducted from available accumulated leave. Documentation, such as an obituary or funeral program, may be requested by the District for any bereavement leave request.

9. **General Leave of Absence:** A general leave of absence may be granted at the discretion of the District.

10. **Holidays:** An employee is eligible for paid time off on the following holidays, if those holidays fall within the employee's regular work year calendar: Independence Day (July 4), Labor Day, Thanksgiving Day, the day after Thanksgiving Day, Christmas Day, the day before or after Christmas Day, New Year's Day, the day before or after New Year's Day, Dr. Martin Luther King Jr. Day, Presidents' Day, Spring Break Friday, Memorial Day and Juneteeth (June 19).

The District reserves the right, if school is in session, to cancel any of the above holidays and establish another holiday in lieu thereof. Any scheduled holiday which falls within an employee's vacation period shall not be counted as a vacation day.

11. **Vacations:** An employee will initially receive twenty (20) days of vacation per year. After the completion of five (5) years, the employee will receive twenty-five (25 days) of vacation and the employee will receive thirty (30) days after the completion of ten (10) years of service in the District.

Employees accrue vacation during a particular fiscal year (July 1 to June 30). Vacation accrued as of June 30 of each year will roll over to the next school year, up to a maximum of two and one half times (2.5x) the employee's accrual rate in Article 11. The following July 1, when the new accrual is given, if the remaining days plus the new accrual amount exceeds 2.5x the accrual rate, then the excess days above 2.5x the accrual rate will be forfeited. Example, for employees who have an accrual rate of 20 days, they can never have more than 50 days in their vacation bank. If they have 35 days remaining, as of June 30th, when the new 20 days of vacation are given on July 1, the total balance would be 55 days and the five (5) excess days would be forfeited to bring the total back down to 50 days or 2.5x the accrual rate. This gives employees up to 24 months to use their vacation time.

The use of vacation days shall be subject to approval by the appropriate supervisor. An employee's daily rate of pay shall be the daily rate in place at the time the vacation is used. Upon written resignation, the employees shall be paid for unused accrued vacation per contract up to a maximum of 30 days. Vacation amounts are based on 12-month duty year assignments. Positions with work years less than 12 months or where the employee starts after July 1 or terminate prior to June 30 shall receive vacation on a prorated basis.

- 12. Health Care Savings Plan:** Employees hired on or after July 1, 2004 will participate in a Health Care Savings Plan (HCSP). Employees hired prior to July 1, 2004 who previously elected this plan may continue to participate in this HCSP with the understanding that it will not be retroactive and that there is no re-election of the retiree health insurance program (See Appendix C) in the future.

Employees who have completed full years of employment by June 30th of any year after 2004 and who are eligible for health insurance coverage (Art 4.A) will be automatically enrolled and receive the following District contributions to be placed in the employee's HCSP account:

\$ 0 annually	Completed 0-4 years in the District.
\$ 1,000 maximum annually	Completed 5-9 years in the District
\$ 2,500 maximum annually	Completed 10-14 years in the District
\$ 5,000 maximum annually	Completed 15+ years in the District

District contributions are based on full-time employment and paid a pro-rated based for less than 1.0 FTE based on eligibility in Art 4.A and also for less than the completion of a full-year.

The District is only responsible for the required contributions amounts. In the event of a District error in making the contributions, the District will correct the amounts contributed but is not responsible for any estimated gains or losses in the funds values. It is also the responsibility of the employee to track contributions amounts at least annually and notify the District promptly if the employee feels the amount contributed is incorrect, so that it can be corrected.

The maximum total District contributions to any employee's HCSP account will be \$50,000.

More information about the Minnesota State Retirement Association Health Care Savings Plan can be found at <https://www.msrs.state.mn.us/>

13. Deferred Compensation Matching Program: All eligible employees will be eligible to participate in the matching program starting with the 2004-2005 school year. The District will match the amount the employee is contributing up to the amounts defined below. District contributions will be on a prorated basis. Employees hired on or after July 1, 2004 will be eligible for this program and will not be eligible to participate in the District's former severance program. Employees hired prior to July 1, 2004, who previously elected to switch to Deferred Compensation can participate in this Deferred Compensation program on a voluntary basis but will not be eligible for both Deferred Compensation and Severance (See Appendix C). Employees who previously elected to participate in this program cannot change back to the District's severance plan. The District's contribution will be on a prorated basis.

Eligible employees must elect to participate in the deferred compensation program. Participation will continue at the same level until the Payroll Department is notified in writing of any change.

The District will pay its matching share of FICA and TRA taxes as provided in Minnesota Deferred Compensation legislation until legislation changes.

Effective July 1, 2022, the District will match eligible employee contribution up to 3.0% of annual scheduled salary and career increments.

The District is only responsible for the required contributions amounts. In the event of a District error in making the contributions, the District will correct the amounts contributed but is not responsible for any estimated gains or losses in the funds values. It is also the responsibility of the employee to track contributions amounts at least annually and notify the District promptly if the employee feels the amount contributed is incorrect, so that it can be corrected.

14. Hold Harmless Clause: The District agrees, subject to the provisions of this section, as a condition of this employment contract, that it shall defend, hold harmless, and indemnify the employee from any and all demands, claims, suits, actions and legal proceedings brought against the employee in his/her individual capacity, or in his/her official capacity as agent and employee of the District, provided the incident arose while the employee was acting within the scope of his/her employment and acting in good faith.

This allowance will be prorated for less than full-time (1.0 FTE) and less than 12-month assignments. For employees who believe that they drive more than this allowance provides, that employee may notify the Human Resource Director that she/he elects to stop this mileage allowance and participate in the District Mileage reimburse plan and submit actual mileage driven. This election by the employee may be made one time per year before July 1 of any year. The employee's supervisor will need to verify at least annually by June 1 of each year with Human Resources, if the employee should receive this mileage allowance or move to the mileage reimbursement plan.

18. Dispute Resolution Process:

A. Purpose and Procedure: Good morale is maintained, whenever problems arise, by the sincere efforts of all persons concerned working toward constructive solutions in an atmosphere of courtesy, cooperation and good faith. The parties acknowledge that it is desirable for an employee and the employee's immediate supervisor to informally resolve grievances. However, since all matters cannot be resolved satisfactorily in this manner, a formal process is provided as an alternative. This complaint resolution procedure has been developed as a means of securing, at the lowest possible administrative level, prompt and equitable solutions to those disputes not settled on an informal basis. This process will be as informal and confidential as practical to any level of the procedure. Further, the investigation and processing of any complaint or issues reviewed as part of this process shall be conducted in a professional manner at such times as not to cause undue interruptions of established work schedules.

B. Representative: The employee may bring the issue or may bring a representative of the Professional Employee Group. The District shall be represented during all steps of this procedure by its designated representative.

C. Issues Covered: A "covered event" shall mean an allegation by an employee covered by this Agreement, resulting from a dispute or disagreement as to the interpretation or application of any term or terms of this Agreement.

D. Informal: If an employee believes there has been an issue that is a violation of this Agreement, the employee shall discuss the matter with the responsible supervisor and/or the Human Resources Director within fifteen (15) days of the occurrence of the event or within fifteen (15) days after the employee and should have known about the facts which give rise to this issue or issues. If the issue is not resolved as a result of this meeting, the employee may ask for a formal review in writing. Failure to ask for a formal review at the informal step within the time period set forth above shall be deemed a waiver of that issue. Failure to appeal for a higher review from one level to another within the periods provided shall also constitute a waiver.

E. Formal: Level 1: The formal written request, signed by the employee will be presented to the supervisor within thirty (30) days after the informal review. The supervisor will meet with the employee and group representative within ten (10) days after receipt of the Level 1 written request and give a written answer to the employee within seven (7) days of the meeting. The employee has seven (7) days in which to either accept the answer or appeal it in writing to the next level.

Level 2: If the issue has not been resolved in Level 1, it may then be processed to Level 2 by the employee and sending the written request for review to the Superintendent. The Superintendent or his/her designee will meet within fifteen (15) days after receipt of the written appeal to discuss the issues with the employee in a good-faith effort to resolve the matter. Within ten (10) days of the meeting the Superintendent or his/her designee shall submit his/her written answer to the employee. The decision by the Superintendent will be the final review.

19. Duration: This Agreement shall remain in full force and effect for a period starting July 1, 2024 through June 30, 2026, and thereafter as provided by P.E.L.R.A.

A. Complete Agreement: This Agreement constitutes the full and complete Agreement between the District and Professional Employee Group. The provisions herein relating to terms and conditions of employment supersede any and all prior Agreements, resolutions, practices, District policies, rules or regulations concerning terms and conditions of employment inconsistent with these provisions.

B. Severability: The provisions of this Agreement shall be severable, and if any provision thereof or the application of any such provision under any circumstances is held invalid, it shall not affect any other provision of this Agreement or the application of any provision thereof.

APPENDIX C: Provisions that apply to employees hired prior to specified dates:

SEVERANCE PAY (formerly Section 9 for employees hired prior to 7/1/2004)

Severance Pay: This section only applies to employees hired before July 1, 2004. Subject to M.S. 465.72, full-time employees who have completed at least twelve (12) years of continuous service with the District and who are at least fifty-five (55) years of age; or, regardless of age have completed at least twenty-five (25) years of credit with the Minnesota State Public Employees Retirement Association or the Minnesota State Teacher's Retirement Association, at least twelve (12) years of which involve service in the St. Louis Park District, shall be eligible for severance pay pursuant to these provisions upon submission of a written resignation accepted by the School Board. An eligible employee shall receive as severance pay an amount representing one hundred (100) days' pay. Severance pay shall not be granted to any employee who is discharged for cause by the District.

In addition to the severance pay provided above, an eligible employee shall receive, as severance pay upon retirement, the amount obtained by multiplying the employee's daily rate of pay by the employee's number of unused leave days, but in any event not to exceed one (1) year's salary.

In applying these provisions, an employee's daily rate of pay shall be the daily rate at the time of retirement, and shall not include any additional compensation.

The District shall provide payment equal to the value of the employee's severance pay directly into the employee's 403b custodial account or other tax-sheltered provision of the Internal Revenue Code. Employees will no longer receive any direct payment from the District for severance pay.

The District's annual contribution into the employee's traditional 403b custodial account or other tax-sheltered provision pursuant to Minn. Stat. § 356.24 and provisions of the Internal Revenue Code shall not exceed the annual IRS contribution limit for such contributions. If any part of the severance pay due to the employee exceeds the IRS contribution limit for a given year, any such amount shall be paid to an account on behalf of the employee for a health care savings plan as agreed upon by the District and the exclusive Representative for such plans pursuant to the provisions of Minn. Stat. § 356.24, consistent with IRS limitations and consistent with the payment schedule.

Employees will receive payment in equal annual installments over a period of two (2) years from the effective date of retirement. Employees must give notice to the District by March 1 of the year in which they plan to retire. The two payments will be processed after July 1 in the fiscal years following notice and retirement. No severance payment will be made to a taxable Roth Option

Employees hired on or after July 1, 2004 will not be eligible to participate in the District's severance program.

Tax-sheltered Annuity (formerly Section 1 G): The District shall participate in a matching tax-sheltered annuity program for all full-time employees who are Severance eligible. The amount contributed by the District in a school year shall not exceed 2 1/2 % of the employee's salary. If hired on or after July 1, 2006, the employee will not be eligible to participate in the District tax-sheltered annuity program.

Retiree Insurance (formerly Section 10 Section for employees hired prior to 7/1/2004)

District Medical Insurance Contribution for Eligible Retirees: This section only applies to employees hired before July 1, 2004.

An employee retiring with severance pay shall be eligible for insurance benefits as follows:

(a) The employee shall be eligible to continue participation in the District group medical insurance plan, if permitted by the terms of the policy with the insurance carrier, until the date of the employee's sixty-fifth (65) birthday. Except as otherwise provided in 13b hereof, the employee shall pay the entire premium for such coverage.

(b) The District shall contribute the dollar amount provided by the benefits in effect at the time of the employee's retirement until the employee reaches the age of sixty-five (65) or the expiration of five (5) years from the date of the employee's retirement, whichever occurs first. The portion of the premium not contributed by the District shall be borne by the employee.

(c) An employee who has reached the age of sixty-five (65) and has maintained continuous coverage, and has a spouse less than age sixty-five (65) shall be eligible to purchase hospitalization and major medical insurance at group rates covering such spouse by paying the entire premium for such coverage, until such time that the spouse reaches age sixty-five (65) or upon the expiration of five (5) years from the date the employee reached age sixty-five (65), whichever occurs first.

APPENDIX D – MINNESOTA EARNED SICK AND SAFE TIME EMPLOYEE NOTICE

Employees in Minnesota are entitled to earned sick and safe time, a form of paid leave. Employees must accrue at least one hour of earned sick and safe time for every 30 hours they work, up to at least 48 hours in a year. As a regular employee working at least four hours per day or more, the earned sick leave plan in your employee agreement is more generous than required in [Minnesota Statutes § 181.9447, subdivision 9](#) and incorporates the definitions of time off under the statute. If you are a temporary employee or an employee who is scheduled to work less than four hours per day, then you will receive the earned sick and safe leave of one hour of earned sick and safe time for every 30 hours they work, up to at least 48 hours in a year as specified in [Minnesota Statutes § 181.9447, subdivision 9](#). A year for purposes of the employee's earned sick and safe time accrual is: July 1st to June 30th each year.

The earned sick and safe time hours the employee has available, as well as those that have been used in the most recent pay period, must be indicated on the employee's earnings statement that they receive at the end of each pay period. Earned sick and safe time must be paid at the same hourly rate employees earn from employment. Employees are not required to seek or find a replacement for their shift to use earned sick and safe time. They may use earned sick and safe time for all or part of a shift, depending on their need.

Earned sick and safe time can be used for:

- an employee's mental or physical illness, treatment or preventive care;
- the mental or physical illness, treatment or preventive care of an employee's family member;
- absence due to domestic abuse, sexual assault or stalking of an employee or their family member;
- closure of an employee's workplace due to weather or public emergency or closure of their family member's school or care facility due to weather or public emergency; and
- when determined by a health authority or health care professional that an employee or their family member is at risk of infecting others with a communicable disease.

Notifying employer, documentation

An employer can require their employees to provide up to seven days of advance notice when possible (for example, when an employee has a medical appointment scheduled in advance) before using sick and safe time. An employer can also require their employees to provide certain documentation regarding the reason for their use of earned sick and safe time if they use it for more than three consecutive days.

For regular full and part-time employees scheduled at least four hours per day or more, you should refer to your employee agreement about reporting sick time off. In general, you should report your time off using the district's online time off reporting system. If an employee plans to use earned sick and safe time for an appointment, preventive care or another permissible reason they know of in advance, they should enter that time off request in the online time off system as far in advance as possible, but at least two days in advance. In situations where an employee cannot provide advance notice, the employee should, should report that absence as soon as possible and before the start of your shift if possible.

For temporary employees who typically work less than four hours per day or casual employees who do not work five days per week on a regular basis, if you need to request time off you should notify your supervisor to record the time off as far in advance as possible. If a temporary employee plans to use earned sick and safe time for an appointment, preventive care or another permissible reason they know of in advance, they should notify their supervisor as far in advance as possible, but at least two days in advance. In situations where a temporary employee cannot provide advance notice, the employee should, should report that absence to their supervisor as soon as possible and before the start of the shift that day, if possible.

Retaliation, right to file complaint

It is against the law for an employer to retaliate, or to take negative action, against an employee for using or requesting earned sick and safe time or otherwise exercising their earned sick and safe time rights under the law. If an employee believes they have been retaliated against or improperly denied earned sick and safe time, they can file a complaint with the Minnesota Department of Labor and Industry. They can also file a civil action in court for earned sick and safe time violations.
