

Homedale High School Class of 2024 Information

Idaho Opportunity Scholarship & Idaho Launch Data as of May 9, 2024

School Year: 2023-2024 Goal %: (2023-2024) Last Year Completion %: 37 (2022-2023)

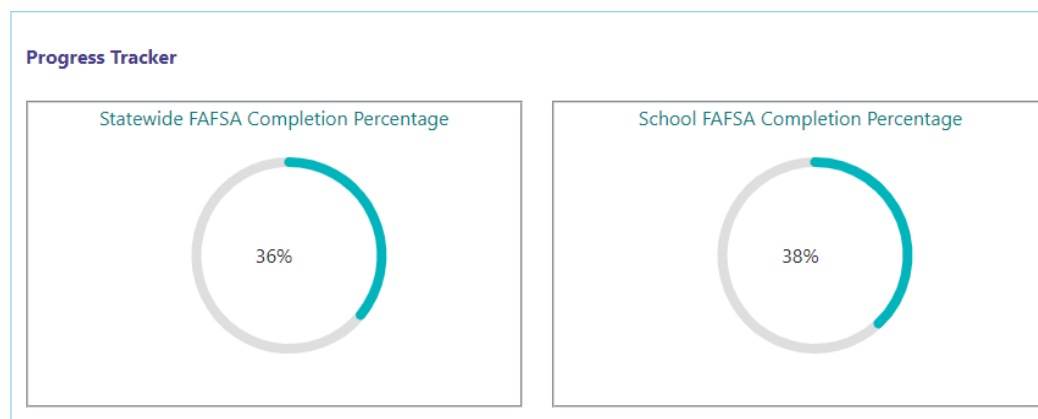

Contingent offers for the Idaho Opportunity Scholarship are expected to be sent to high school students on Monday, May 13. According to Joy Miller, Scholarships Program Manager for Idaho, her office received over 10,000, Class of 2024, applications for the Idaho Opportunity Scholarship for the 2024-2025 year. This is an unprecedented amount of applications. As of May 8, nearly 7,000 of those applicants

had completed the 2024-2025 FAFSA. Due to the renewal numbers of current Idaho college students, being over 5,300, the office will only be able to extend approximately 2,340 new awards to 2024 graduating seniors.

HHS Class of 2024 seniors planning to further their education after high school have done a great job completing scholarship applications through the Scholarship Idaho website, local scholarship applications, and other scholarship resources.

FAFSA Data as of May 9, 2024

School Year: 2023-2024 Goal %: (2023-2024) Last Year Completion %: 60 (2022-2023)

This year the Free Application for Federal Student Aid (FAFSA) application time window as well as the form completely changed. Students were unable to even complete the FAFSA form until the middle of January.

A few of the other problems that students encountered were that the wording of the questions were very hard to understand causing mistakes to be made and also if a student forgot to click the "accept & sign" box to complete the form, they had to wait until April to correct that issue. Other issues include students and/or parents without SS#s and parents who do not want their student to complete the form.

I continue to help seniors with their FAFSA forms in hopes they qualify for the Pell Grants. I expect HHS FAFSA numbers to increase by graduation and into the summer.

HHS Senior Celebration

All Homedale School District Board Members are invited to attend the HHS Class of 2024 Senior Celebration. Come mingle with graduating seniors, enjoy dinner, live music, and enjoy the Gear UP Awards Ceremony. Please RSVP Kristie Dorsey by Friday, May 17. Email: kdorsey@homedaleschools.org.

A celebratory poster for the Homedale High School Class of 2024 Senior Celebration. The background is dark grey with a red geometric border in the corners and scattered gold confetti. At the top center is a red graduation cap with a gold tassel. Below it is a gold banner with the text "Class Of 2024". The main title "HOMEDALE HIGH SCHOOL SENIOR CELEBRATION" is written in large, bold, red and gold letters. Below the title, the date and time are listed: "MONDAY, MAY 20", "6:00 - 8:00 PM", and "7:00 PM GEAR UP AWARDS". The location "HOMEDALE HIGH SCHOOL COURTYARD" is written in smaller red letters. At the bottom, there are two paragraphs of text in a white box with a red border, providing details about the invitation and the event's activities.
