

SOUTH SAN ANTONIO INDEPENDENT SCHOOL DISTRICT  
Agenda Item Summary

Meeting Date: July 21, 2021

Agenda Section: Consent

Agenda Item Title: Special Education Contracted Services for 2021-2022

From: Theresa Servellon, Chief Academic Officer

Additional Presenters if Applicable:

Description: Special Education students will receive instructional and supplemental resources for speech services, occupational therapy, physical therapy, orientation and mobility, visual impairments and assessments to include evaluations and ARD attendance. These services are required to meet each student's Individualized Educational Plan (IEP)

Historical Data: South San ISD solicited responses from potential vendors with RFQ 2019-10. The Board of Trustees approved the selected vendors for professional services to include therapists, teachers, consultants and adaptive physical services on May 15, 2019 for an initial term of 1 year with the option to renew for 2 additional 1 year terms. This is the second renewal of agreements. Our district has worked collaboratively with the approved vendors to support and meet the needs of our students for the past 2 years.

Recommendation: Approve the contracted services for the 2021-2022 school year

Funding Budget Code and Amount: 199 - 470,700, 205 - \$91,700

**Special Education Department**
