BOARD OF EDUCATION
Bloomington, Illinois

Regular Meeting September 26, 2022

FOR ACTION

Subject: Excess Equipment

At the special meeting on September 12, I mentioned the need to declare some District equipment as excess for the purpose of disposal. Mr. Rosales has reviewed much of what the District has kept in storage and many pieces of equipment are either out-of-date or are broken and beyond safe use by staff or students. A complete list of this equipment is attached for your review.

It is my recommendation to the Board of Education to approve the designation of the attached list of equipment as excess for the purpose of disposal.

Recommendation: The Board approve the attached list of equipment as excess for the purpose of disposal, as presented.
