**TITLE:** Approval of Course and Exam Fees, Effective Spring 2019

**DISCUSSION:** Lab fees are being proposed for courses in the new Surgical Assist and Diagnostic Medical Sonography programs. The proposed lab fees will be effective Spring 2019 to offset the cost of consumable materials and supplies that students will utilize in the indicated courses.

The Psychological Service Bureau Allied Health exam is used as the entrance exam for Dental Hygiene, Diagnostic Medical Sonography, Paramedic, Polysomnography, Respiratory Care, and Surgical Technology. To better serve students, Collin College will move to an online proctored exam in Spring 2019. A PSB exam fee of \$45 is recommended to offset the cost of exam fees and administration of the proctored exam.
