Dear Laurie Bitter and Jeremy Tammi:

This letter serves as my resignation from the Family and Consumer Sciences and Art Teacher position at Indus School. I am recently engaged and will be moving closer to my fiance's place of work.

Thank you for the opportunity to begin my teaching career with South Koochiching Rainy River School District. It has been a wonderful experience that I will not forget. Please let me know if there are any questions or needs from me following this. I will be available by phone or email with the following information.

Thank you again,

Breanne Cipriano
