Re: Superintendents Board Report

ISBA Convention

- Dwayne and I will be attending the ISBA convention November 14th and 15th in Boise.

Meeting with Legislators

- Canyon County superintendents will be meeting with legislators the week of November 26th to discuss the upcoming legislative session. This session will prove to be an interesting one with the proposed changes to the funding formula and what that could mean for school districts. There is no doubt there will be winners and losers in the current funding formula proposal.
