

Foley Public Schools Activities Department Update
August 18th, 2025 School Board Meeting

Greetings from the Foley Public Schools Activities Department,

Welcome To Logan Jespersen

Logan Jespersen will serve as the Certified Athletic Trainer for all of our home events and he will be on campus from 3:00-5:00 on Wednesday to handle injury care needs for our students. Logan is an employee of St. Cloud Orthopedics and is excited and eager to become a part of Foley Activities.

Fall Activities Meeting

The Fall Activities Meeting was held on Monday, August 11th. Coaches had the opportunity to meet with other Foley coaches from each season, be updated on MSHSL Policies, and discuss expectations and procedures for the upcoming school year. Parents and students had the opportunity to meet Logan Jespersen and hear about the services St. Cloud Orthopedics and he will provide, as well as be updated on MSHSL and Foley Public School policies as they pertain to activities. Parents and students in a fall activity had the opportunity to meet with the head coach and go over activity specific expectations and schedules.

Construction Project Update

Fall Activities are currently in full swing. The construction project has provided a few new hurdles but the coaches and athletes have adapted wonderfully. The biggest challenge was providing a space for the Swimmers and Divers due to no current access to the pool. St. Cloud State University graciously opened up their doors and welcomed the Foley Swim and Dive Team with open arms. The hospitality that SCSU has provided to our athletes has been above and beyond. Foley will swim at SCSU for the first two weeks of practice and plans to return to the Foley Pool on August 25th. Thank you SCSU for helping Foley make the best of this situation.

Thanks You,

Eric Inglis
